

D3.4

Yearly basis EG Magazine focused on: EU policy developments, good practices at EU/national level, interviews with experts/professionals, etc. Targeted at guidance practitioners, teachers, trainers, school/universities staff, mobility networks and research centres professionals, education/employment system stakeholders. Distribution: approximately 1200 subscribers. Promotion: SkillON and ANPAL social channels and websites. E-magazine will be assigned an ISSN (International Standard Serial Number) code, which identifies the publication and allows its cataloguing both at national/international level.

Digital. Italian language

In line with the foreseen dissemination policy (PU), three editions of the Euroguidance Magazine, edited by the EG Italy National Centre, were produced during WP 2021-2023. The document, in Italian language, which offers a series of insights on issues related to guidance, is distributed online, and it is provided with ISSN code 2785-3128. All editions can be viewed and downloaded at the links given below.
