

D3.4 EG IT will release other communication tools such as articles in joint EG network publications (Insights, Highlights) and in EU website

Digital. English language.

In line with the foreseen dissemination policy (PU), over the three-year period, the EG Centre Italy released articles in joint EG publications, namely:

- *“Mobility Opportunities for Learning and Job Purposes in Europe” Training Package - Euroguidance Highlights 2020*, p. 57, available at:
<https://euroguidance.eu/resources/publications/euroguidance-highlights/euroguidance-highlights-2020>
- *Building capacity in guidance within and beyond Italy - Euroguidance Highlights 2021-2022*, p. 45, available at:
<https://euroguidance.eu/resources/publications/euroguidance-highlights/euroguidance-highlights-2022>
- *Developing skills and increasing human potential - Insight 2022*, p. 8, available at:
<https://euroguidance.eu/resources/publications/insight-magazine/insight-january-2022>

EG Centre Italy also regularly updated the Italian page on the Guidance Systems and practice section on <https://euroguidance.eu/>
